

# sporcle

## A QUICK OVERVIEW

### FOR TEACHERS

### What is Sporcle?

Sporcle is a trivia website with online quizzes that range from naming all the U.S. presidents to knowing the countries of Europe to identifying the Periodic Table of Elements and so much more. With several different quiz formats, multiple categories, and apps for iOS and Android, you can learn just about anything in just about any way.

### Why Should You Use Sporcle?

Sporcle's engaging quizzes make learning fun across a wide variety of quiz types.

# FREE!

Sporcle is free and easy to use. Signing up takes less than a minute.

You can find quizzes on almost every topic imaginable or make your own!

### What can I do on Sporcle?

Sporcle has thousands of quizzes, but you can also create your own quizzes to help study for a test, review a lesson or to just stay sharp on a topic. Quizzes can also be grouped into playlists so you can create study guides.

### How do I get started?

If you haven't already, sign up for a free account: Go to [www.sporcle.com](http://www.sporcle.com) and click the 'Join for Free' button to get started.

On the signup page, choose to sign up with Facebook or Google, alternatively you can sign up with an email address.
